QUESTIONS

1. How can I order?
2. What is foamboard, masonite, plaque, gator board and canvas mounting?
3. Can i get my photos in black & white or sepia and does it cost more?
4. Do you ship photos outside the Sudbury area?
5. What type of payments do you accept?
6. Where can I pick up my order?

1. How can I order?

You can place your order by filing out the order form at the bottom of this page. Once we receive the form we will look over your order and confirm the price with you. Once you have agreed to the price, we will process your order.

2. What is foamboard, masonite, plaque, gator board and canvas mounting? (see see examples on website)

Mounting a photo on masonite, gatorboard or to have it plaqued all serve the same purpose. It bonds the image to a hard surface such as a board or a foam to that the image will not have any wave in it. This is usually only done for images 11x14 or larger. Why you ask? Quite simply, image smaller than 11x14 such 8x10's or 5x7 are not big enough to display any waviness to them. As you get to 11x14 or larger, images will not appear nice and strait, even when framed or squished between to panes of glass. Don't believe us, come in and see for yourself.

- FOAMBOARD - Foamboard is 1/4" thick foam-centered board coated with tough white plastic shell.
- MASONITE Standard 1/8" hardboard masonite. This traditional mounting surface provides a heavy duty, rigid, hard and long lasting substrate. You need to frame an image that is mounted on masonite.
- PLAQUE is a photo that has been plaqued to a piece of MDF with beveled edges. These can be hang it on the wall directly. No framing necessary.
- GATORBOARD is rigid foamboard to which the photo is mounted on. You need to frame an image that is mounted on masonite. (Gatorboard is a lighter option than Masonite.
- CANVAS Canvas prints are stretched over a stretcher frame. You can also have them as wraps where the image wraps around the edges.

3. Can I get my photos in black & white or sepia and does it cost more?

There is no extra cost to have your photo in black & white or in sepia tone.

4. What type of payments do you accept?

We accept Cash, Email money transfers, PayPal, (danlalande@yahoo.com) cheques, money orders.

If you are local (Sudbury area), you can also pay when picking up.

If sending payment by mail, do not send cash unless it is shipped with a signature required. We are not responsible for lost cash in the mail.

5. Do you ship photos outside the Sudbury area? And how much does it cost?

Yes we do. The average order containing a few prints will be \$5 to cover the shipping and the materials. For larger prints such as 12x18 and 13x19 prints and plaques, we will supply you with a quote and get your approval before finalizing the transaction and processing your order.

7. Where and how do I go about picking up my order?

We have a few pick up locations in town. Call us to make arrangements as to where you would like to pick up your order. (705) 691-7644

NEW SUDBURY, (call ahead for pick up times)
